

YOUR COFFEE MORNING YOUR WAY

This activity sheet will help your pupils design their own bunting for their Coffee Morning.

Once they've had fun creating them, encourage them to string the flags together and hang it up in the classroom as a symbol of everyone working together to make a difference.

Step 1

Start by photocopying the other side of this sheet and give one to each pupil.

Step 2

Get your pupils to customise and create their own piece of bunting. Depending on how old they are, you might need to help them cut the triangles out and hole-punch them after they're done.

Step 3

Encourage them to tell their mum, dad, brothers, sisters, carers and friends and invite them to take part in your school's Coffee Morning too.

Macmillan Cancer Support, registered charity in England and Wales (261017), Scotland (SC039907), and the Isle of Man (604). Also operating in Northern Ireland.

COLOUR IN YOUR OWN BUNTING

To make yours really stand out, why not try some of these:

- Glitter pens
- Paint
- Chalk
- Coloured paper
- Felt tips
- Crayons
- Sequins
- Stencils
- Stamps

Make sure you get an adult to help you cut out and hole-punch your triangle. Then write your name on the back so you always know which one is yours.
