

HOW TO PLAY

Hang the gateau poster on a wall, roughly at eye-level. Have each player write down their name on a cherry sticker. Then, using a scarf or a tie as a blindfold, each player walks towards the gateau and tries to stick their cherry as close as possible to the target. When you run out of stickers, the player closest to the target wins the prize. Suggested £2 donation per player. All donations collected go to Macmillan, to help support even more people living with cancer.

Terms & Conditions: Suggested £2 donation, no purchase is necessary. To enter, write your name on a sticker and try to stick it as close to the target on the poster as possible. Entries by email, post or facsimile will not be accepted. The prize winner will be the entrant whose sticker is closest to the target. The promoter provides the winner with a non-monetary prize and gives all donations to Macmillan Cancer Support.
