Step up to the plate!

Come together with friends, family and colleagues and make your Coffee Morning a team effort.
Simply write the names of people you want to lend a hand, and use the cards as a way to persuade them to join your dream team.
Once they’re on board, think of different things they can be in charge of. Like promoting, decorating, baking, games, competitions and banking.

Be part of our Coffee Morning dream team

Be the carrot to our cake

Be the banana to our bread

Be the cherry on our cupcake

You are mug-nificent

Your cakes count

Your mugs matter

Bake a difference
